DPI Launches Internet Safety Website

October is '[Keeping Kids Safe Online Month](#)' in Wisconsin to highlight the need of responsible internet practices for kids today. The Wisconsin Department of Public Instruction, in partnership with the Department of Justice, has released a new website about internet safety to kick off the month-long awareness campaign. The website includes resources for children, adults and educators. [Read the full post.](#)

WVLS Listening Session
T.B. Scott Free Library, Merrill
December 5, 10am-12noon

WVLS Listening Sessions foster dialog. Listening Sessions are casual, informal conversations that provide unique opportunities for directors to: share their stories, voice challenges and vet solutions, brainstorm potential collaborations and opportunities! RSVPs to Anne Hamland at comm.coordinator@wvls.org.

A to Zion: 2017 ARSL Conference
Report

Collection Development Webinar Series Schedule

This line-up looks fantastic and YSS's own WLA Board Liason, Sue Abrahamson of the Waupaca Public Library is presenting in September on collection development. Those who attended the YSS Member Retreat in January got a first-hand look at Waupaca's collections (I loved the juvenile non-fiction - it looked fresh, relevant, and inviting). Also, if you are at a smaller library where you may do collection development in multiple areas, you're sure to find these other topics essential. For instance, YSS Board Member Elizabeth Timmins is part of the panel on Adult Selection Tools.

Webinar, Nov 14 @ 1pm

WVLS scholarship winners will outline awesome sessions and key resources from their 2017 [Association for Rural and Small Libraries](#) National Conference experience in Utah. [Information and registration.](#)

Graphic Design for Libraries

Webinar, Nov 15 @ 1pm

Schmidt will cover the basics of practical graphic design, show examples of good graphic design in libraries, suggest tools that you can use to improve your library's signs, posters, brochures, websites and more. [Information and registration.](#)
