## The Uninvited

by Cat Winters

YA WINTE

Ivy Rowan has recovered from the Great Flu of 1918. She still has her gift-or curse-of seeing the uninvited spirits of loved ones who appear heralding death. One evening, her grandmother appears, rocking in her mother's rocking chair. Later she learns that her brother and father have killed a German in retaliation for her older brother's death in the Great War. Ivy, horrified, leaves home and is drawn into a new world of jazz and freedom, but the uninvited spirits continue to haunt her and she has no idea what revelations they might bring.

Amanda hopes that by moving their family can begin a new chapter and she won't have to remember the horrible winter before: Her mother giving birth to a sickly baby who won't stop crying, the terrifying visions she had and the boy she was secretly seeing. When her family arrives at their new home, they find the inside covered in blood. Is the family cursed or is it the land? For fans of "The VVitch," this gothic historical novel will leave you wondering.
