\*\*Population retrieved from PLDS and US Census  
Data 2013

## BiblioCore

Includes e-content integration and pre-populated award winners and bestsellers listings. The only element in the BiblioCore catalog that is recommended but not included in this basic rate is cover art. We recommend that libraries subscribe to either Syndetics or Content Café for this additional content.

Rate: \$0.09193/pop. or \$10,000 minimum

Annual .....	\$17,973
Implementation .....	\$25,000*

## Consortia: Branding and Navigation (optional)

Individual branding and navigation available for each interested library. No additional charges for re-branding and on-going navigation changes.

Rate: \$1,000 annually x 25 libraries (optional per library)

Annual .....	\$25,000
--------------	----------

## Consortia: Limited Scoping (optional)

Separate instances available for a single library's collection display and the entire consortium holdings display.

Rate: \$250 annually x 25 libraries

Annually .....	\$6,250
----------------	---------

## Pricing for BiblioCore including scoping and branding:

Total First year cost: .....	\$74,223
Ongoing Annual: .....	\$49,223

## Other optional services

For more information on the full suite of services, please contact us.

## Augmented Content

... for critics reviews and automated recommendations from iDreamBooks, LibraryThing for Libraries and Bookish Recommends

From the Critics .....	\$1,000
Recommendation Stream (LibraryThing) .....	\$1,075
Recommendation Stream (Bookish) .....	\$1,075
Implementation .....	\$2,100

## BiblioMobile

Includes iPhone app, Android app, and mobile web browser optimized version. No implementation charged if implemented at the same time as BiblioCore. Price is for 1 implementation of BiblioMobile, if other consortia libraries would like their own Mobile app, please contact us for pricing. Mobile web-optimized only is also available.

Rate: 25% of Core, \$4,000 minimum

Annual .....	\$4,493
Implementation .....	\$1,050

## CoreTraining

Onsite training can be provided at the rate of \$1,500 a day with a minimum of 2 days plus travel costs.

Estimated .....	\$4,500
-----------------	---------

## Languages

Available for catalog and help pages. Spanish, French, Russian, Simplified Chinese, Traditional Chinese and Japanese available. Rates: Starting at 7% of Core for the first language and decreasing at one percent for each thereafter, \$2,000 min each, max \$6,000 each.

CBOIMBMLINOS

## Other Specific optional services

While the services listed here could be used at the consortium level, they have mainly been seen as library-specific services due to the nature of an individual library's events, collection development, locations, summer reading programs and branding (for BiblioDigital). Pricing based off population served

### BiblioFines

Utilizes Authorize.net or Paypal for PCI-compliant transactions.

Rate: 10% of core, minimum of \$4,000

Implementation ..... \$4,200

### BiblioEvents

A new events management module that is in phase 1 of development. Priority functionality for phase 2 and 3 is still to be determined with assistance from participating libraries.

Rate: 20% of Core, \$4,000 minimum

Implementation ..... \$1,050

### Suggest for Purchase

A new suggestion-tracking module that allows the tracking and automating of patron requests.

Rate: 15% of Core, minimum \$4,000

### BiblioDigital

An open platform for eBook acquisitions, discovery, lending, and reading. Includes first One Book, One City program if module purchased within three months – with BiblioCMS. 50% of the annual platform fee is a credit towards eBook purchases. For more information on BiblioDigital please contact us.

### BiblioCMS

A fully-hosted integrated content management system. Includes theming, training, support and upgrades. Includes BiblioEvents.

Rate: \$0.12/pop. or \$40,000 minimum.

Implementation ..... 100% of first year subscription

### SummerSites

Sites can accommodate all patrons or patrons groups based on age (such as kids, teens and adults). Libraries can also opt for additional microsites to support one city, one book or other community reading programs.

Rates: 1<sup>st</sup> site 12% of Core, minimum \$4,000 | 2<sup>nd</sup> site 6% of core, minimum \$2,000 | 3<sup>rd</sup> site 3% of core, minimum \$1,000 | Each after; 3% of core or \$1,000 minimum
