@ 1pm

### **Data Informed Collection Development Webinar**

**Way more exciting than it sounds!**

Begin uncovering the clues that data can reveal for you! Join us for an exploration of Data-Informed Collection Development. It's NOT about fancy data collection tools, it IS about using the basic data you have access to help you make informed decisions when developing and maintaining your collection. It's about interpreting your data, rather than just blindly following the numbers. Part four in a five-part [Collection Development series](#) sponsored by Wisconsin library systems. [Information and registration.](#)

**News From WVLS Libraries**

## Google Cardboard @ Neillsville Public Library

[Neillsville Public Library brings virtual reality to their patrons!](#) Librarians downloaded and played with virtual reality apps, put together a recommended app list, and are encouraging library patrons to use their own smartphone and the public Google Cardboard.
