Ms. Coffey as the “Crazy Librarian”

SHHHHHHHH!!!!!!!
How III Impacted My Library

We hosted our first ever “Teen Only” events.

Hosting these events lead to more teenagers coming in and getting familiar with the materials we offer.

Top Row and Bottom Right: Escape Room

Bottom Left: “Ready Player One”
How III Impacted My Community

My community was talking about the programs!
How III Impacted Me

III showed me the work behind the library.

III allowed me the freedom to set up and plan a program for the library for my community.
Thank you!
