There are so many--books missed

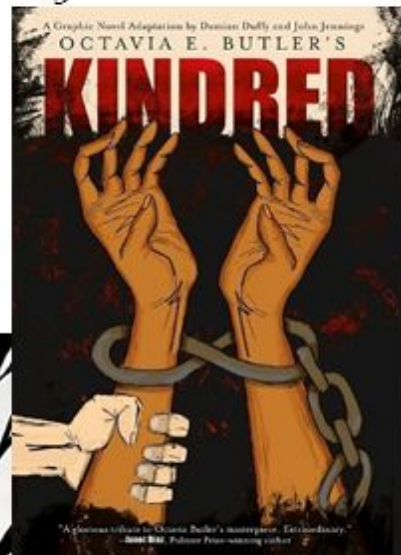

A more acceptable graphic:

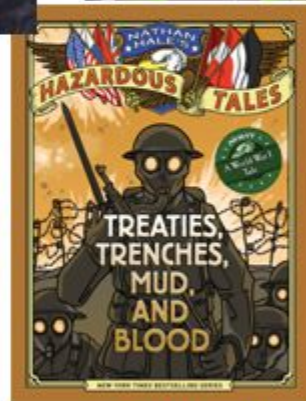

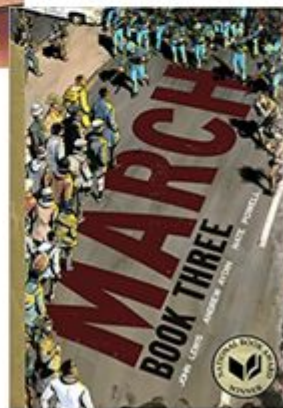

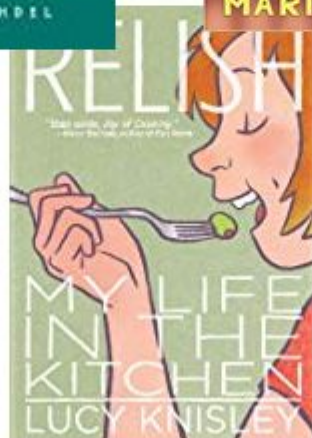

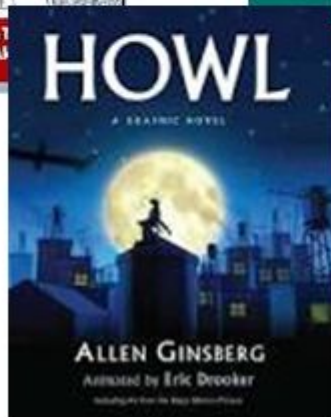

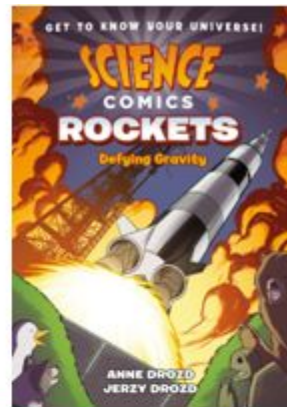

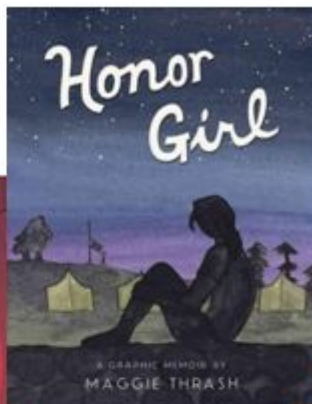

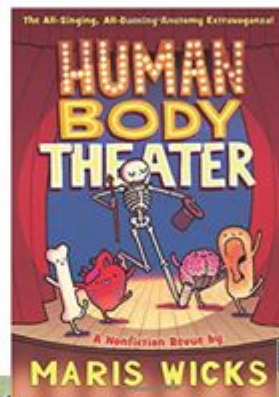

Is one that tells a familiar story....

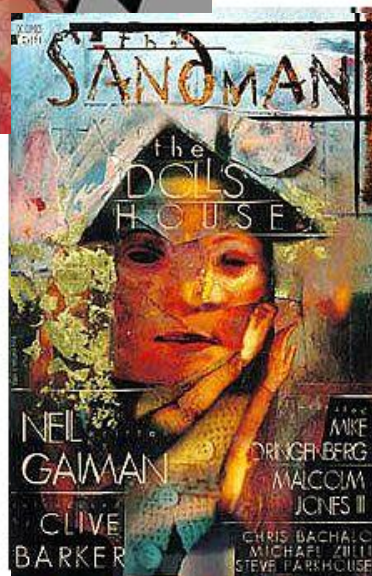

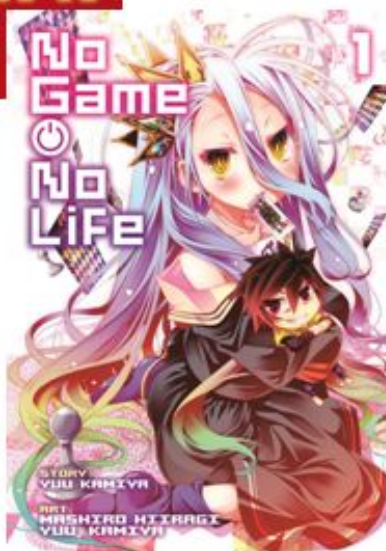

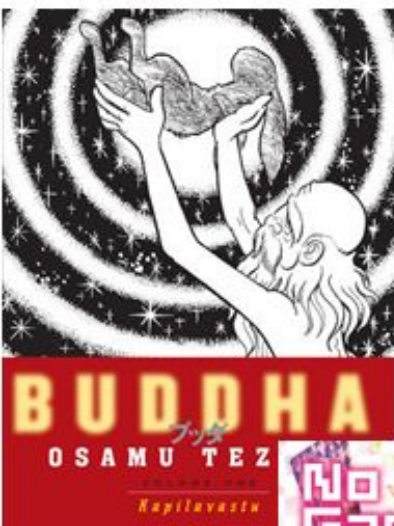

Or Not?

Making the real relatable: Non Fiction

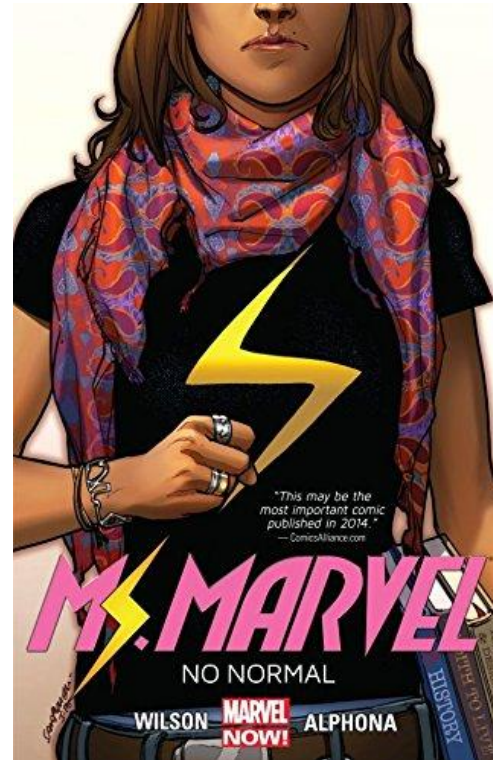

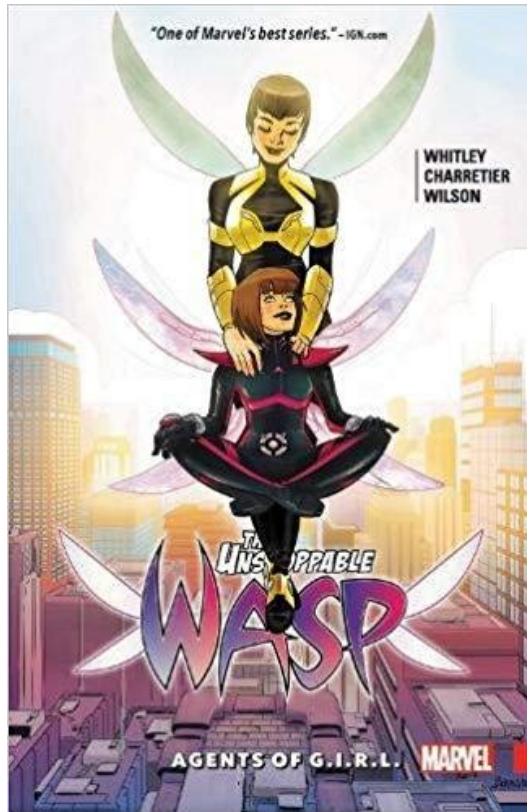

Graphic books naturally lend themselves to certain subjects areas

It looks like a graphic NOVEL, but what is it?

WHY ARE GRAPHIC NOVELS,
WELL, SO GRAPHIC?

Just the opposite - some all-ages friendly books are assigned oddly 'mature' ratings.

How do I learn about them and what do I do with them?

Put them in with Fiction?

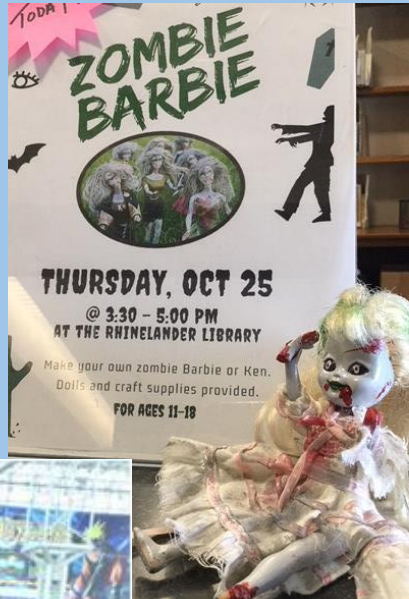

- By main character
- By Title
- By Volume

Are non-fiction within subject--or Graphic novel

What works for you--and how would you look for the book if you didn't know where to look?

How far can you go? Programming

- Expanding your craft: drawing/inking/storyboarding / writing to model making, mini-fig painting and comic book making, etc.)
- Cosplay (how to for costuming and styling, but also parades, parties, fashion shows, etc)
- Movie / Anime Screening *And more!
- Partner on Book Groups—complete with free downloads, discussion questions, and sparknotes!

- Mini-cons
- Creating a GN "Advisory Group"
- Building and capturing readers - Graphic Novels are usually one of the most circulated "genre" in the library.
- Free (and free Halloween) Comic Book Day
- Gaming—many readers play games and trivia based in and around the books they enjoy
- Visibility – well attended programs can get your shops name in front of a lot of people.
- Community Partnerships – being a part of the community can generate warm & fuzzy feelings.
