Wisconsin Valley Library Service

WVLS

2018

ACCOMPLISHMENTS

- Sponsored 30 webinars & 7 workshops (3 in youth services)
- 15 partner systems: Wild Wisconsin Winter Web Conference
- 101 total CE contact hours provided
- 20 Digital Byte trainings created & 4 WPLC OverDrive training grants
- Awarded 3 Library Legislative Day, 6 ARSL/ WLA/WAPL Conference scholarships
- Facilitated 17 TEACH Grant applications & coordinated 1 TEACH Technology Infrastructure Grant project
- Gave Innovation & Collaboration Grants to 2 libraries
- 67 visits to member libraries, 3 youth meet ups, 2 listening sessions
- Guided & developed 18 new & 8 draft WordPress websites for WVLS & IFLS member libraries
- Acquired new Gale Courses subscription
- Initiated V-Cat loan rules standardization
- Began Ebsco Discovery Layer redesign
- Began Active Directory project
- Northern Waters Library Service joined LEAN WI
- Initiated broad collaboration efforts with all Wisconsin Library Systems

Partnerships: IFLS Library System,
Northern Waters Library Service, Bridges Library System

Praise for Gale Courses

"I didn't expect to enjoy this course as much as I did so kudos to Patricia for providing a very enjoyable, informative class!"

Fundamentals of Supervision and Management, Dec 2018

"This course was EXACTLY what I needed! The lessons were clear, assignments built on each other, pacing was just enough to keep me working but not overwhelm me -- I'm so excited to use what I've learned so far and continue onward. I REALLY liked Alan's writing style, his responses and the exercises that he created for us. This was a great experience."

Creating Web Pages, Dec 2018

"I know this is an old version of Excel... but it's what came on my computer, so it's what I need to know. Thank you for not discontinuing it just because there are newer versions of Excel out there."

Introduction to Microsoft Excel 2007, Dec 2018

"...In addition to the ability to check out books I found a program called 365 [Gale Courses]. Which offered free online college classes. The only thing you needed was a library card in good standing. I went to college once, and due to health issues failed miserably. I've been scared ever since to go back, for fear of being a failure again. This program is offering me the chance to try again, without the debt that scares me so much. Perhaps if I can complete a six week course, maybe I can complete the college classes I started so long ago. In addition to the classes, they offer. I gave up on a dream long ago of becoming a writer. (I am a horrid speller) But due to these free classes I can take writing classes to become better. To perhaps fulfill the dreams I had once long ago, that I never told anyone about..."

Anonymous in Rhinelander, Nov 2018

"This instructor is the best one I've encountered so far. His lessons are clear, the examples actually show what they are supposed to show, the activities are excellent practice. I can't say enough about how much fun this is and how satisfying it is to put these skills into action right away. Thank you Alan!!"

Intro to CSS3 and HTML5, Jan 2019

Wisconsin Libraries

By the Numbers

Wisconsin Residents Use Libraries

- **51 million** physical items checked out (averaging 1 million per week)
- **12.5 million** uses of public internet computers & wireless internet uses
- **104 million** Badgerlink searches conducted
- **2.7 million** attendance at public library events
- **2.6 million** eBooks downloaded

Wisconsin has one of the nation's largest and most active collections of eBooks and digital audiobooks.

Did You Know?

For most Wisconsin communities, the public library is the primary place for access to hi-speed Internet.

Public Library Systems

- Serve 381 libraries
- Offer technology infrastructure and training
- Coordinate delivery of books statewide
- Provide online catalogs and digital resources
- Supplement local library budgets
- Provide continuing education opportunities
- Offer consulting and leadership

Wisconsin College & University Libraries

- Serve 237,000 enrolled students and their local communities
- Support traditional, online, and University of Wisconsin Flexible Option
- Provide research support for \$1 billion in federal grant research

School Media & Technology Centers

- Serve 872,000 students
- Provide resources through Common School Fund
- Support technology instruction and classroom teachers

Special Libraries

- Serve a variety of industries:
 - Health care
 - Government
 - Research institutions
 - Business

Wisconsin Libraries Strengthen Communities

Communities Need

- Reliable, affordable resources - - - - ->
- Access to information - - - - ->
- Learning opportunities - - - - ->
- Gathering spaces - - - - ->

Libraries Offer

- Cost-effective sources for books, digital resources, and technology access
- Free and reliable access to the Internet and published materials
- Resources, programs, and expertise to increase individual, business, and community knowledge
- Places for gathering to learn and connect

The Benefit of Wisconsin Public Libraries

Literacy

- Offering early literacy programs such as 1000 Books Before Kindergarten to help ensure children are ready for school
- Participating in partnerships with schools to help improve student literacy by expanding resources, increasing reading comprehension, teaching research skills, helping develop information and financial literacy
- Providing important resources for homeschool families

Workforce Development

- Partnering with the state's Workforce Development Centers to extend resources and services to job seekers in 381 communities throughout Wisconsin
- Offering online classes and other learning opportunities designed to increase skills of people seeking employment opportunities or other career advancements
- Providing meeting spaces to conduct interviews both in-person and via technology

Information Technology

- Providing technology training to residents who need assistance
- Offering reliable, hi-speed internet access and wi-fi hotspots to ensure residents have reliable broadband access
- Offering spaces for innovation centers and creative learning labs designed to maximize in-person learning opportunities using technology not readily accessible to individual residents
- Offering spaces for community meetings designed to bring residents together to solve problems and create stronger relationships

The Benefit of Wisconsin Specialized Libraries

Knowledge, Creativity, & Learning

- Access to creative application of information and data
- Ability to efficiently acquire, analyze, manage, and apply information and data
- Access to cutting-edge research, consultation services, and learning spaces to experiment and innovate
- Support for business development in biotechnology, engineering, computer science, agriculture, biofuels, health care, and more

PARTNERS FOR EXCELLENCE

Public Library Systems and Local Public Libraries

Background

The goal of library systems is to provide all Wisconsin residents with access to the high-quality library service needed to meet personal, work, educational, and community goals. Before the development of public library systems, many state residents had no legal access to any public library; many more only had access to substandard library service.

The Wisconsin legislature approved legislation in 1971 enabling the creation of public library systems to address the limitations of relying solely on local support and local coordination of library service. The actual organization and development of public library systems in Wisconsin was a voluntary and gradual process. No county or public library is required to be a member of a library system, yet all of Wisconsin's 72 counties and 381 public libraries are library system members.

The creation of public library systems fostered the establishment of a strong network of resource sharing and mutually beneficial interdependence among community public libraries. Wisconsin's sixteen public library systems developed in distinct ways in response to the needs of their member libraries and area residents. They continue to evolve and respond as changes in society, resources, and technology create new demands and opportunities.

Benefits to local library service

Local public libraries appear “on the screen” as the public face of community service while public library systems “run in the background” as the underlying operating system. System support rarely steps out from behind the curtain in the public consciousness; it is designed to allow local libraries to occupy center stage.

The basic dynamic of library system membership is simple. A **public library** agrees to certain membership requirements, including the commitment to serve all system residents equitably. In return, the **library system** provides a wide range of primarily state-funded services, tailored to regional needs that enhance local library service. This relationship provides all residents of the state with improved library service, as well as the ability to use whichever library or libraries best serve their needs. Municipal libraries participate in library systems because their communities' residents benefit from this arrangement.

In return for agreeing to the membership requirements, local libraries and their patrons benefit from system membership because state aid enables systems to:

- expand and improve the interlibrary loan network through management of automated, shared catalogs
- provide specialized staff assistance and continuing education opportunities to local library staff and trustees
- facilitate delivery services and communications
- guarantee mutual borrowing privileges and monitors reimbursement for service to residents across county lines
- expand the use of new technologies
- support other cooperative services and projects in response to regional needs
- encourage enhanced, regional networking opportunities among public, school and academic libraries

NOTES: Local and county figures do not include dollars originally appropriated for capital projects. Local support includes financial support from the primary municipalities which support the library. Gifts, donations, endowments, federal grants, federal revenue sharing funds, contract income or any other special operating income are not included in either the Local or County Support columns, but are included in the "Total Operating Income" columns.

Also, the "County Support" column represents only the county dollars that were given directly to libraries and does not include payments to WVLS for service. Following are the county appropriations made to WVLS in 2015:

| County | Appropriation | County | Appropriation |
|----------|---------------|----------|---------------|
| Clark | 3,888 | Marathon | 18,727 |
| Forest | 1,381 | Oneida | 7,807 |
| Langlade | 2,737 | Taylor | 2,468 |
| Lincoln | 4,177 | | |

*The numbers reported are the total number of on-site circs to residents of each of the other WVLS counties.

These numbers are only intended to provide a pattern of cross-border borrowing within the WVLS area - a pattern which might prove useful as a county library board or county board of supervisors looks at the potential need to reimburse libraries from other WVLS counties.

Note: 2018 cost per circ for WVLS public libraries is based on the formula stated in WIS. STATS 43.12 (1), which is total expenditures minus capital and federal expenditures divided by total circ = cost per circ.

Increases or decreases in cost per circ from year to year are a direct result of increases or decreases in either expenditures or circulations from one year to another.

Annual Item Circulation By Year For V-Cat Libraries

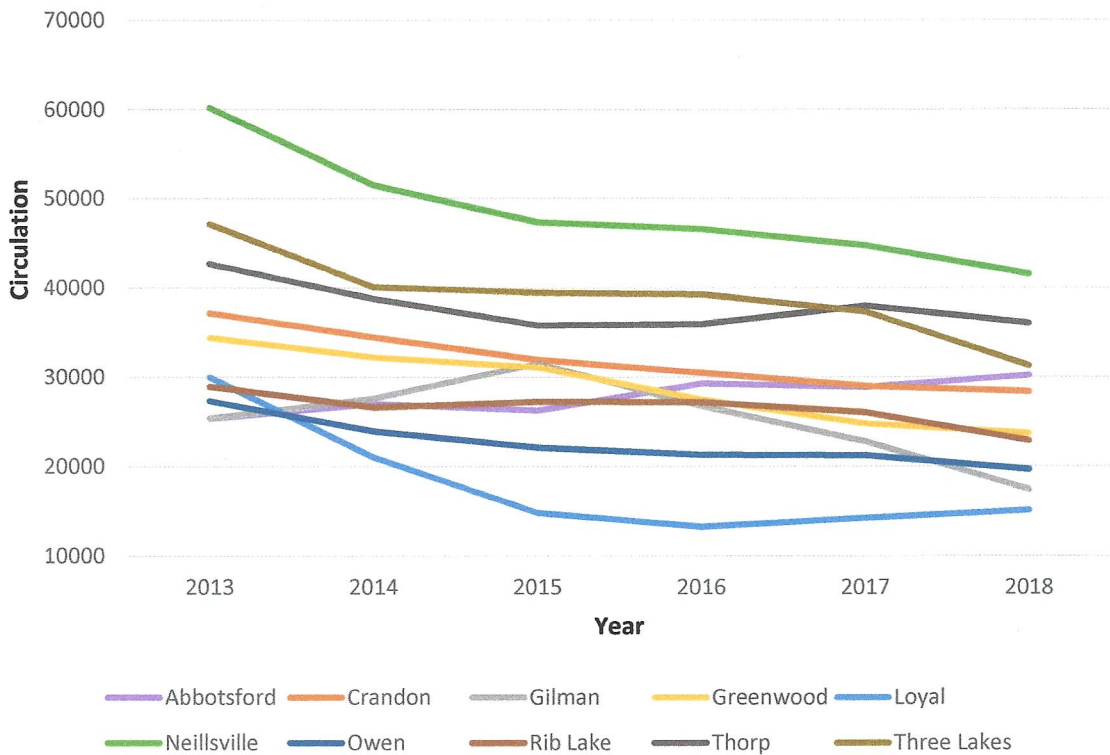

Annual Item Circulation By Year For V-Cat Libraries With >250,000 Annual Item Circulation

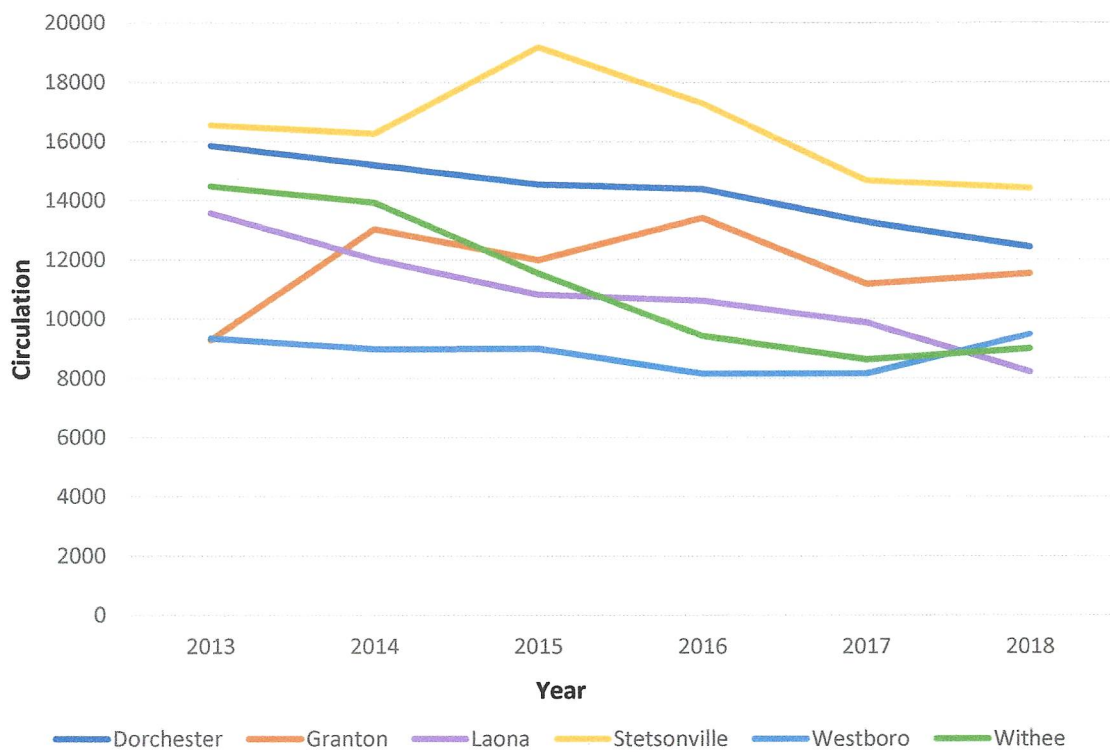

Annual Item Circulation By Year For V-Cat Libraries With 70,000 - 250,000 Annual Item Circulation

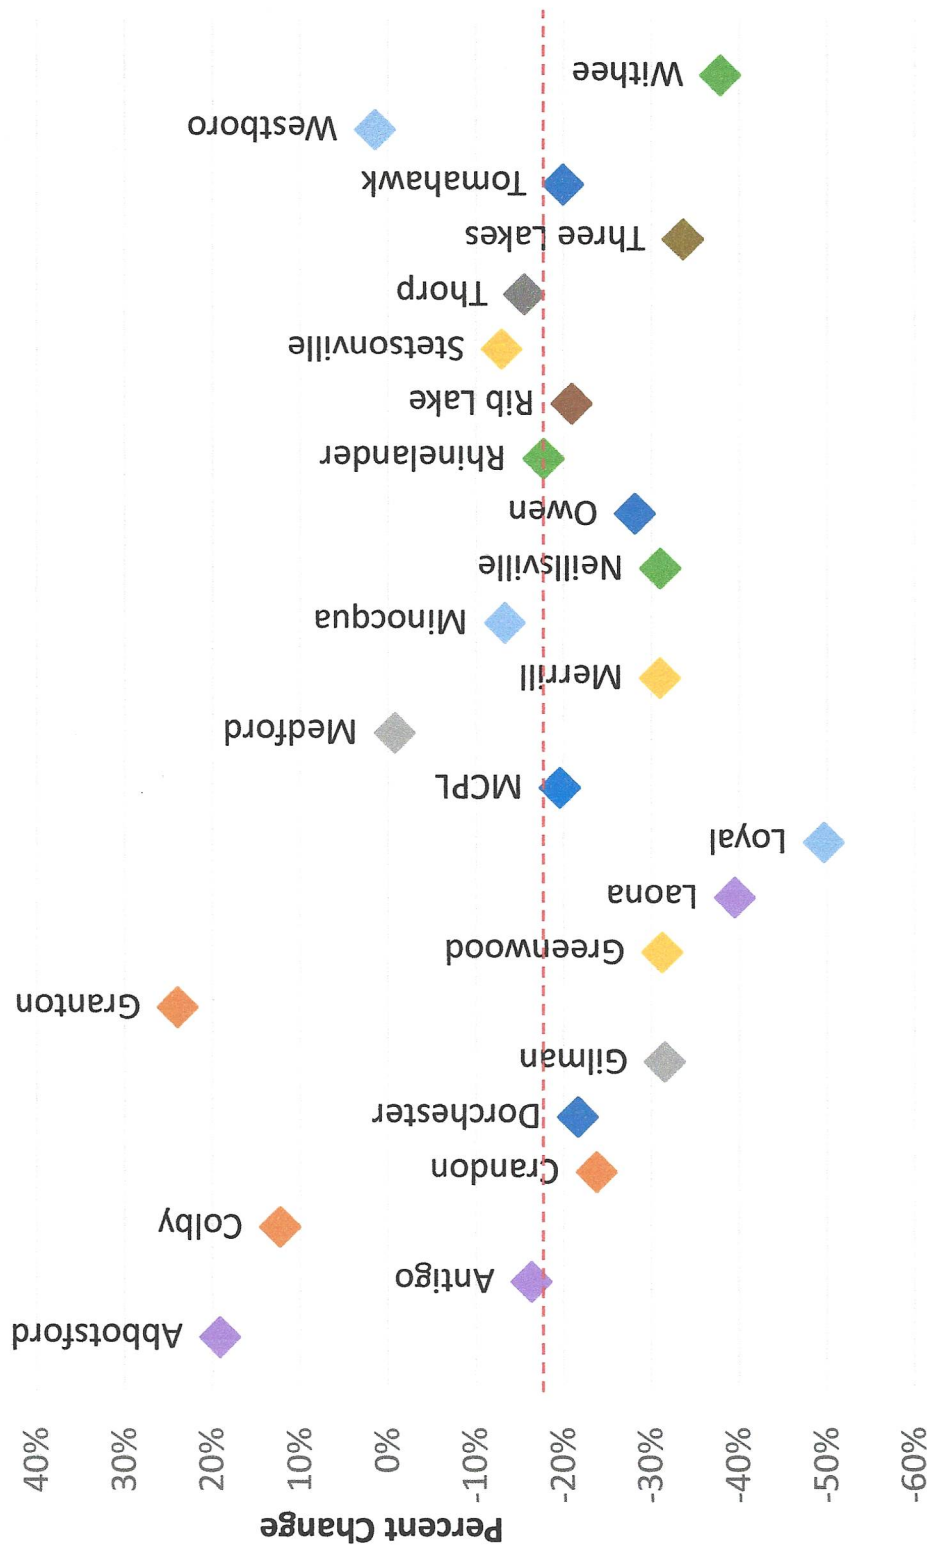

Annual Item Circulation By Year For V-Cat Libraries With 20,000 - 70,000 Annual Item Circulation

Annual Item Circulation By Year For V-Cat Libraries With <20,000 Annual Item Circulation

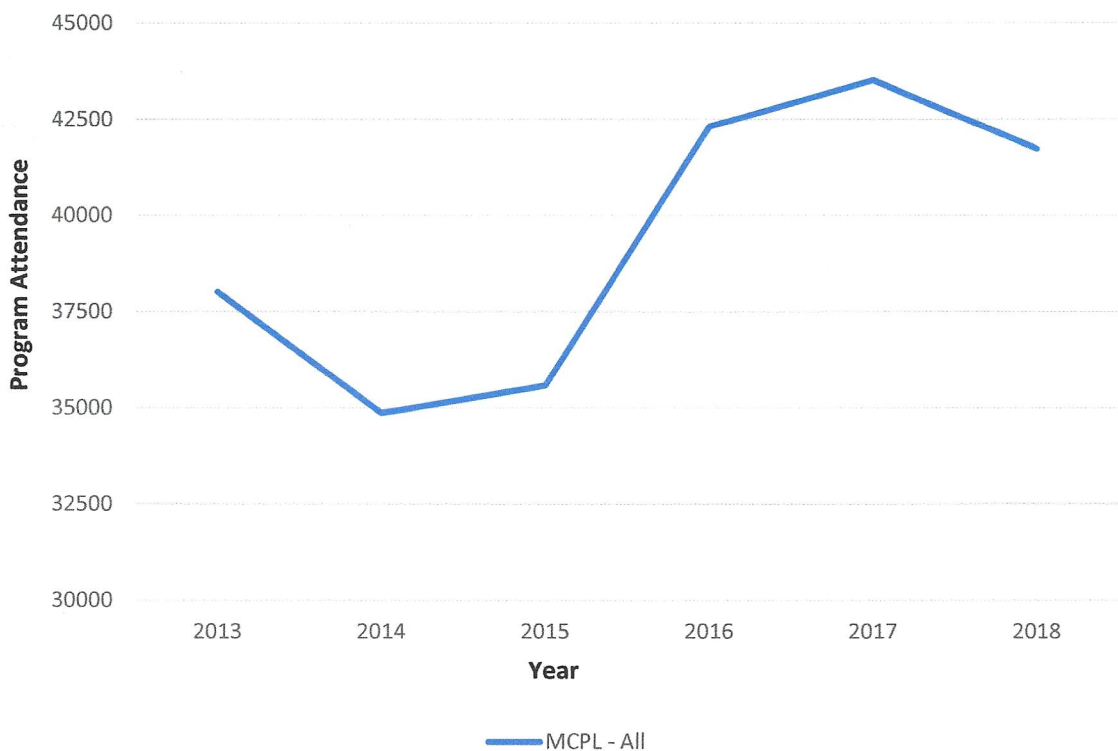

Percent Change in Circulation From 2013-2018 For V-Cat Libraries

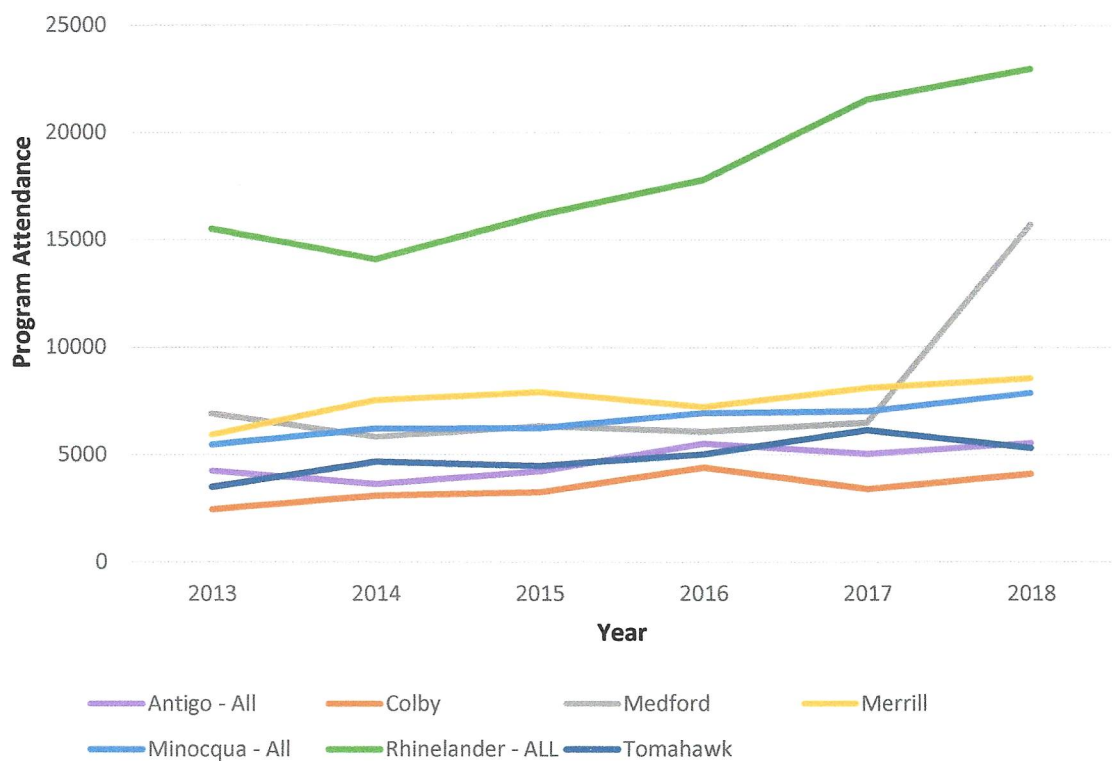

This graph displays the percent change in circulation for V-Cat libraries from 2013 to 2018. The red dashed line is the average percentage change in circulation from 2013 to 2018 for all V-Cat libraries (-18%). If a library is below the red dashed line it is below the average percent change in circulation for V-Cat libraries from 2013 to 2018. If a library is above the red dashed line it is above the average percent change in circulation for V-Cat libraries from 2013 to 2018 including some libraries who have experienced growth in circulation.

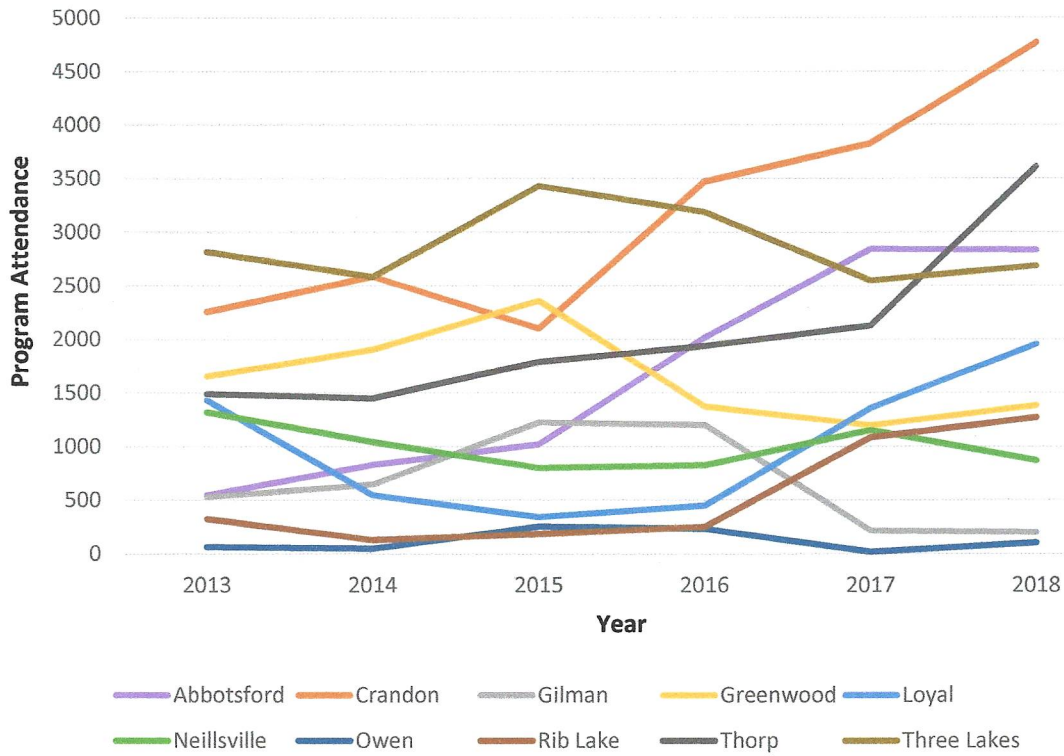

Annual Program Attendance By Year For Libraries With >250,000 Annual Item Circulation

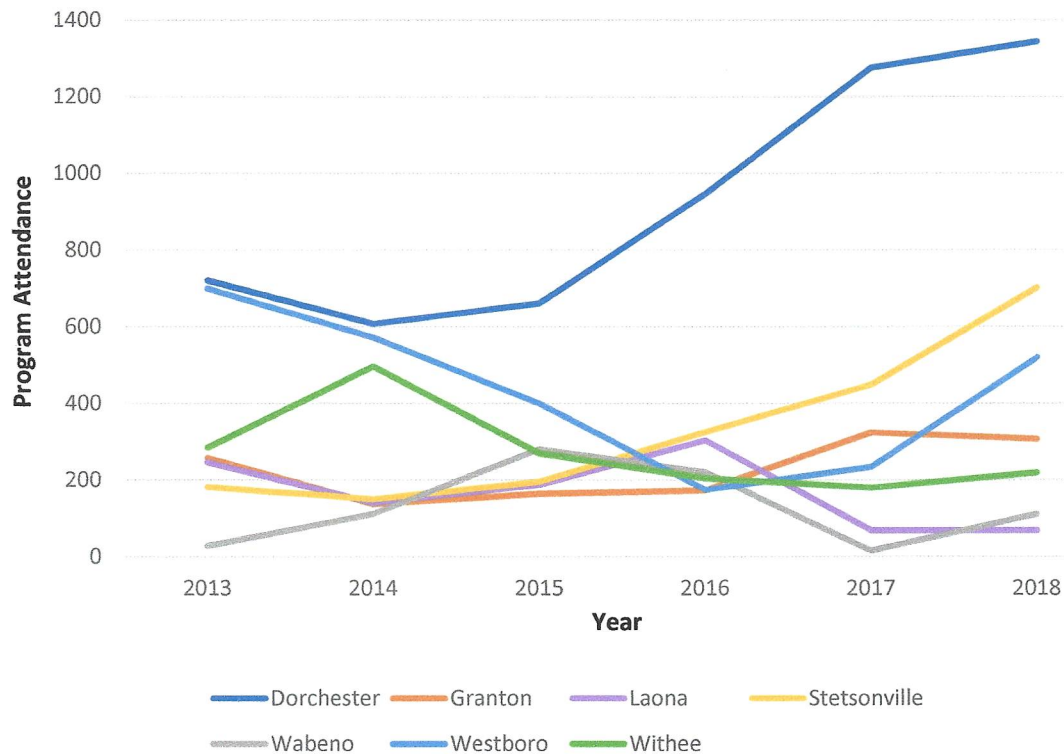

Annual Program Attendance By Year For Libraries With 70,000 - 250,000 Annual Item Circulation

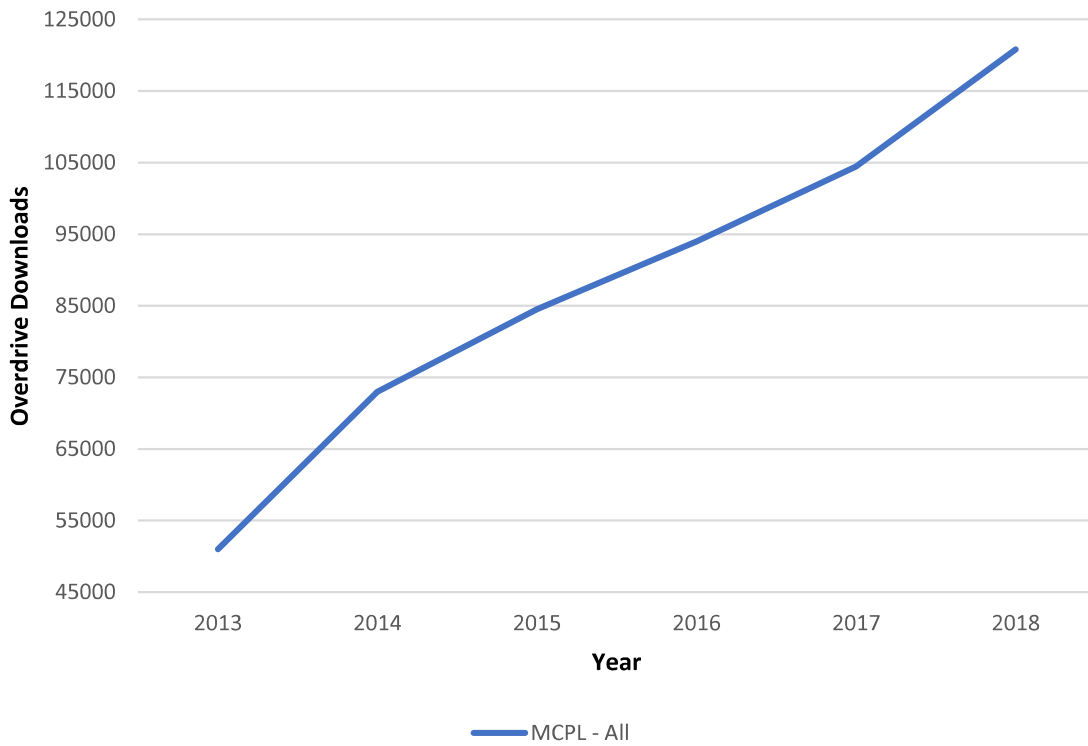

Annual Program Attendance By Year For Libraries With 20,000 -70,000 Annual Item Circulation

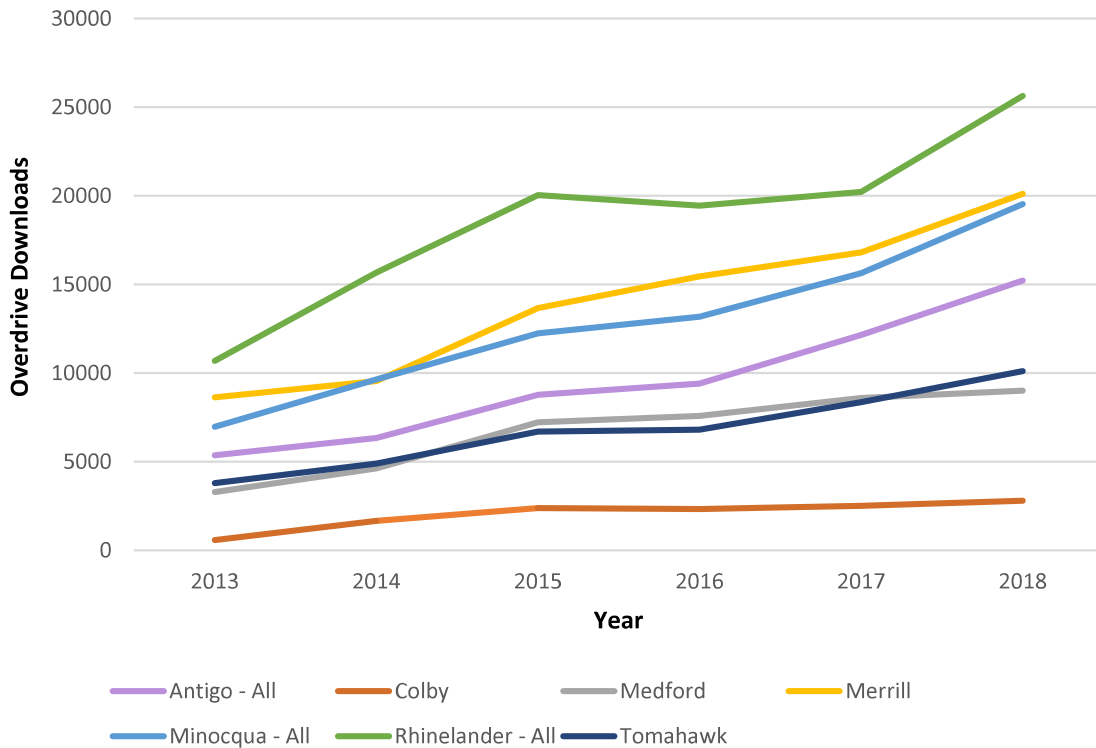

Annual Program Attendance By Year For Libraries With <20,000 Annual Item Circulation

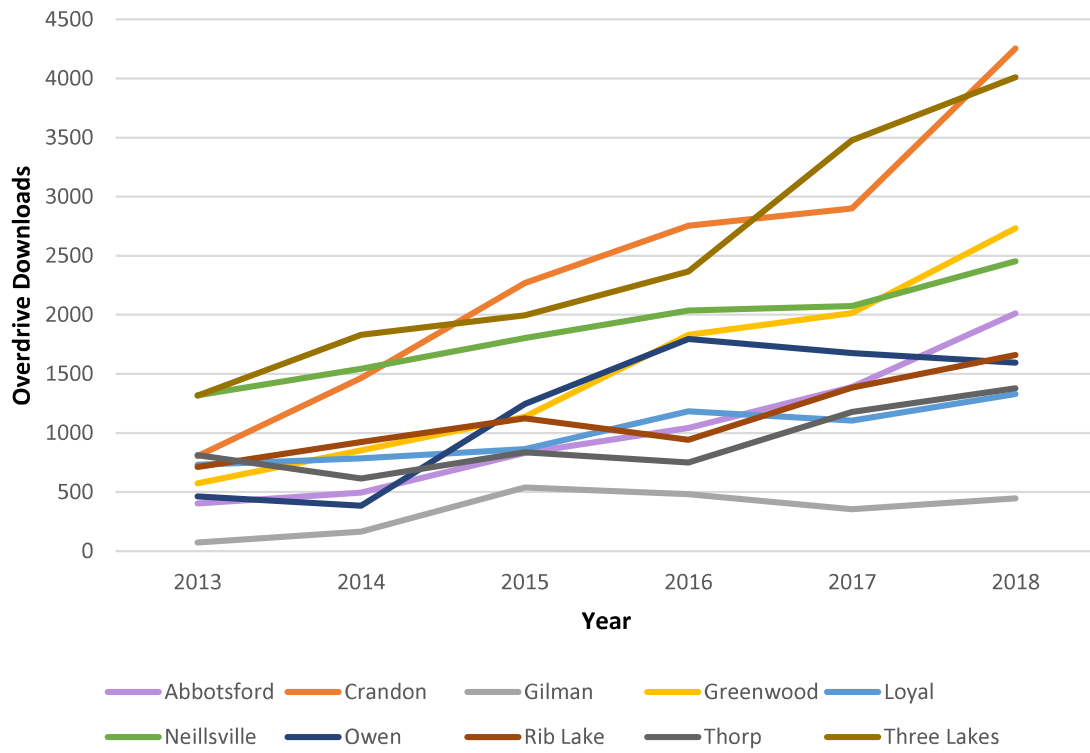

Annual Overdrive Downloads By Year For V-Cat Libraries
With >250,000 Annual Item Circulation

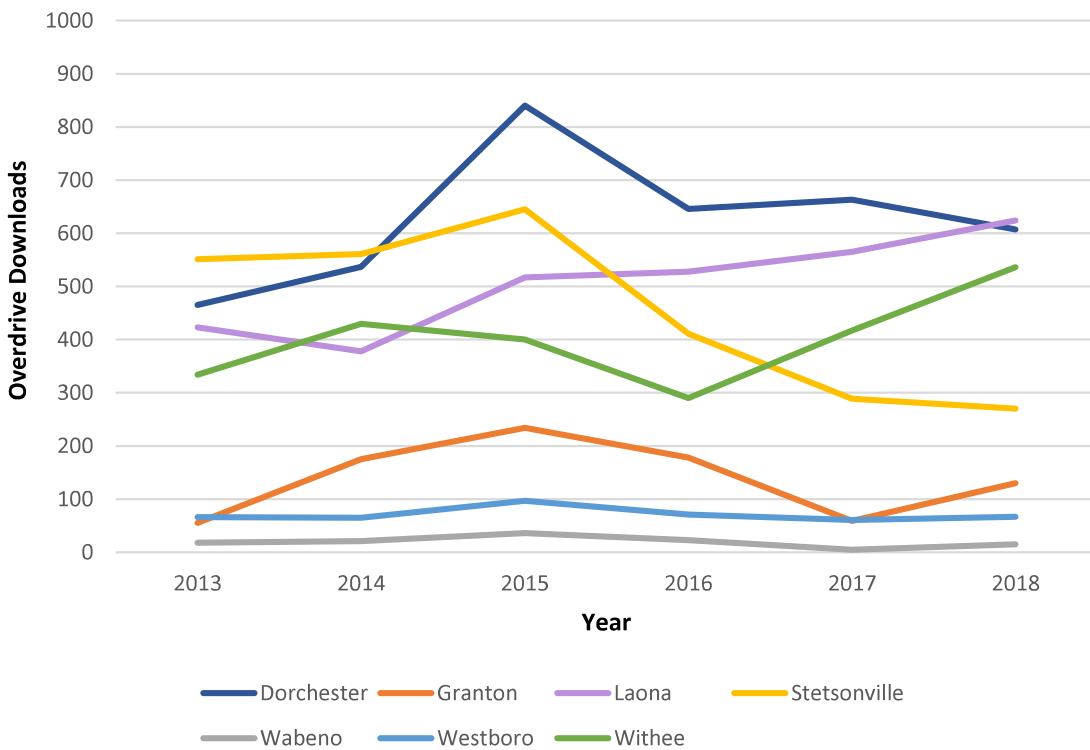

Annual Overdrive Downloads By Year For V-Cat Libraries
With 70,000 - 250,000 Annual Item Circulation

Annual Overdrive Downloads By Year For V-Cat Libraries
With 20,000 - 70,000 Annual Item Circulation

Annual Overdrive Downloads By Year For V-Cat Libraries
With <20,000 Annual Item Circulation
