Board of Trustees

Wausau, WI 54403

Dear Marathon County Public Library Board of Trustees,

On behalf of the WVLS Board of Trustees and staff, I want to thank you for today's opportunity to introduce WVLS to the MCPL Board and to reinforce the reasons why this system is best suited to support MCPL in providing the best service possible to Marathon County residents. We look forward to continuing this dialog and helping to ascertain what works best for this Board and MCPL staff.

For your review, attached is a copy of today's presentation and additional information about the Wisconsin Valley Library Service. You will notice this packet also includes copies of documents WVLS has shared with the MCPL Board and our membership, and recent correspondence of MCPL, WVLS, and area libraries regarding the MCPL investigation of migrating to another system. We hope you find this collection of information helpful.

If additional information would be helpful, please let me know. WVLS is here to help.

Warmest regards,

Marla Sepnafski, Director
WISCONSIN VALLEY LIBRARY SERVICE
