Inclusive services reflect equity and accessibility for all members of the community, including services to individuals or groups for whom using the public library is difficult, limited, or minimized.

Briefly summarize the most significant specific services or initiatives carried out by your system in a special needs area in the report year. Describe the system effort in terms of the way in which the initiative is conducted by the system. Some systems provide direct services, others provide services to support library efforts.

The Northern Waters Library System and WVLS started a collaborative venture in 2018 in which NWLS assumed inclusive services consulting for WVLS, and WVLS assumed continuing education services on behalf of NWLS. Please refer to pages 26-28 in the attached 2019 WVLS Staff Report for activities related to this statute.
