

Because information is changing quickly, WVLS will send out an email each weekday around 9 a.m., featuring new developments for our member libraries related to COVID-19.

1) Reduction in COVID-19 Daily Update

Starting the week of April 20, the Daily will be sent three times per week, likely Monday, Wednesday and Friday. This could change depending on when news is available. It will remain to be sent out at 9 a.m.

2) Staying Together: COVID-19 Discussion Today

The next Staying Together Discussion this week is scheduled for Today at 1 p.m. The topic will be what libraries might look like when they open to the public.

Call in: 1.888.748.9073 or +1.844.540.8065

Meeting ID: 715 397 297 139 731

3) WPLC Annual Membership Meeting

WAPL is cancelled this year, but the WPLC Annual Membership Meeting is still taking place.

Join us, online via Zoom, April 29th from 1:00 - 2:00 pm. We will be discussing:

- WPLC Statistics Review
- The WPLC Collection Development Committee's 2020 recommendations
- Sustainable funding for Wisconsin's Digital Library
- Potential WPLC Advocacy & Marketing Efforts

Registration is required. You can register now for the meeting here: https://zoom.us/meeting/register/upUqc--gqT0oXVh9jWYWmZ30d9TFsDQQ5Q

After registering, you will receive a confirmation email containing information about joining the meeting.

4) Top Ten Tips to Educate Your Board

IFLS Library System and the Wisconsin Department of Public Instruction are pleased to bring you: Top Ten Tips to Educate Your Board webinar with DPI staff and former library directors Shannon Schultz, Ben Miller, and Cindy Fesemyer. They will share resources and strategies to help you make sure your library boards have the information they need to do their jobs legally and effectively. Join us on May 14 at 1:00 for this webinar, which will be recorded. Register here.

5) Wisconsin's New Coronavirus Cases Are Below 100 (article)

For the first time since Gov. Tony Evers' safer-at-home order took effect March 25, Wisconsin's single-day increase in positive COVID-19 tests was below 100 on Monday. Read more.
