

Director's Report

WVLS BOARD OF TRUSTEES MEETING

May 16, 2020

COMMUNICATION

COVID-19 Service Update

In mid-March, several communication channels were implemented by WVLS to address member libraries' concerns and questions about the ever-evolving news related to the pandemic and Governor Evers Safer @ Home Order. With oversight by **Jamie Matczak**, these methods of communicating COVID-19 information to colleagues continue:

- a [COVID-19 Webpage](#): Updated on a daily basis, this website shares the status on services at area libraries, health resources, upcoming webinars related to COVID-19, the Daily Updates, the recordings of the Staying Together Discussion, V-Cat-related documents and more.
- a **COVID-19 Update**: In response to the rapid changes for libraries and communities regarding COVID-19, an email update is sent to area colleagues at 9 a.m. three times a week. Archived on the WVLS COVID-19 webpage, these updates replace the "*Monday Mentions*" email for the time being.
- "**Staying Together**" **Discussions**: To address the need for member library directors to connect with one another, ask questions and share expertise, and to lend counsel and support when needed, WVLS is hosting a 60-minute online meeting twice a week for library directors or a proxy. Each meeting has a discussion topic and is recorded and archived.

Also, during the week of April 27, WVLS announced that **minimal courier service** would be offered to member libraries. The implementation of the one or two courier stops to libraries each week aligned with implementation practices of several other systems. WVLS worked with our members and Waltco to determine when to schedule deliveries.

DPI Develops Writing Teams to Draft Guidelines for Reopening Libraries

Working in collaboration with system and public library staff, the Wisconsin Division for Libraries and Technology team has established three writing teams to map out what services might look like as libraries reopen their doors to the public and to draft guidelines for reopening. The three teams are:

GENERAL ADMINISTRATION (staffing, facility, boards, prep/safety, messaging)

OPENING DOORS (programming, in-library, and outreach services) - **Anne Hamland** is a member of this writing team

PHYSICAL MATERIAL RESOURCE SHARING (circulation, ILS, ILL and delivery) - **Katie Zimmermann** will serve as a reviewer for this team

Additionally, all public library system directors and several staff from the library community will serve as key reviewers. Teams started their work this week and will plan to meet weekly over the next several weeks to complete their work.

National Library Week Video

WVLS staff had a lot of fun recording a message to member libraries during National Library Week. Take a look here: <https://www.youtube.com/watch?v=MfoVDhQAjo8&feature=youtu.be> or <https://www.youtube.com/watch?v=MfoVDhQAjo8>.

Matczak to Present at ARSL National Conference

Jamie Matczak was notified that her program proposal, "*Libraries and Smart Phone Photography*" was accepted as a "Spark Talk" for the 2020 Association of Rural and Small Libraries (ARSL) Conference that will be held September 30-October 3 in Wichita KS. Similar to a TED Talk, Jamie will present her material in a condensed, 9-minute session. This will be the sixth presentation for Jamie at the ARSL Conference. Previously, she presented in 2012 (Raleigh), 2014 (Tacoma), 2015 (Little Rock), 2017 (St. George), and 2019 (Springfield).

WLA Listserv to Cease

The Wisconsin Library Association (WLA) Executive Director **Plumer Lovelace** announced that the WLA listserv would cease effective May 14, 2020. Around the time when DLT migrated from the Wisconsin Public Library listserv known as "wispublib" to DPI Google+ Communities in late 2015, WLA was asked to create a listserv to fill a void in communication. However when the DPI Google+ Communities was sunset by Google in April 2019, a new [wispublib](#) listserv was established and WLA since decided to lend its efforts to support that tool rather than manage its own. WLA members were reminded that the WLA Member Clicks option is still available as a communications tool to members if needed.

Requests for Information

The **WVLS ILS Administrative Team** received a request from **Michael Guidera**, a staff member at the **Ohio Northern University Taggart Law Library** to share some of our ILS training materials with him.

Jennifer Johnson, Library Advancement Assistant at the Vermont Department of Public Libraries asked **Jamie Matczak** for a copy of the **Marketing Plan Template** that was shared during the February 2020 statewide webinar called "An Introduction to Creating a Library Marketing Plan." Developed by the System Marketing Cohort, the plan was shared on wispublib and is available on the WVLS website [here](#).

Words of Appreciation

"The System staff has been amazing through this." --**Tammie Blomberg**, Rib Lake Public Library

"Thank you for all your help with everything during this chaotic COVID-19 crisis. You are truly a godsend for keeping our website up to date all while managing many many other websites and tackling what I'm sure is a million other tasks. Your work, guidance, and support does not go unnoticed. You make my life so much easier! THANK YOU THANK YOU THANK YOU!" --**Stephanie Schmidt**, Crandon Public Library Director to Anne Hamland

"I know how hard it is to keep everyone informed every day. It is mentally exhausting. I really appreciate the news we can use --as does RDL staff." -- **Virginia Roberts**, Rhinelander District Library Director to Jamie Matczak

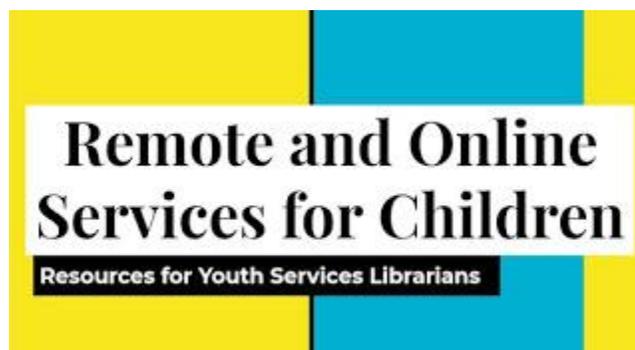

*"Thank you for continuing to provide wonderful webinar and CE opportunities for library staff across Wisconsin. I appreciated the content provided by **Pat Wagner** during 'The Ethics of Library Customer Service' [webinar]."* -- Danielle Zeamer, Brown County Library Service Associate to Jamie Matczak

People and Libraries in the News

Hamland Presented for UW-Madison iSchool Webinar

Anne Hamland was one of the panelists featured in the March 25 webinar *Remote and Online Services for Children: Resources for Youth Services Librarians*, sponsored by UW-Madison iSchool's Continuing Education Department as part of its "Alumni Webinar" series. Anne joined panelists Abby Landers, youth librarian at the La Crosse (WI) Public Library and Marge Loch-Wouters, Southwest WI Library

System Youth Services Consultant to share tips on consistency in planning and intentionality in creating programs, how to navigate fair use laws, and ideas for programs and services during COVID-19 closures. While the webinar garnered capacity attendance, those who were unable to attend or would like more information can access the webinar recording, slides, chat log and resources list at <https://ischool.wisc.edu/continuing-education/free-webinars/>

The *Remote and Online Services for Children* webinar was recommended in the April 7 edition of *American Libraries Direct* in the article "We Didn't Learn About This in Library School" by Mahasin Abuwi Aleem.

http://aldirect.ala.org/sites/default/al_direct/2020/april/040720-2.htm

Matczak Advises Local News Channel During COVID-19 Pandemic

Jamie Matczak was invited by **Jonathan Gneiser**, NBC 26 Assignment Editor, to be a member of a **Community Advisory Committee** for Green Bay's NBC 26 (<https://www.nbc26.com/>) local news channel. The goal of the committee is to get a better understanding of what local news viewers want and need from an NBC newscast during the COVID-19 pandemic, and to provide routine advice and guidance. The committee meets once per week via Zoom.

Hamland Shares Information in Workforce Waves Podcast

Anne Hamland, **Leah Langby** (IFLS) and **Sherry Machones** (NWLS) were featured speakers in a Workforce Waves podcast **E22: How Libraries Help Job Seekers and Employers**. The podcast shared information about the Libraries Activating Workforce Development Skills (LAWDS) project, which brings together public library staff with the staff of regional Workforce Development Boards (WDBs) and Wisconsin Job Centers, to facilitate more seamless support of job-seeking patrons, business owners and entrepreneurs. Listen to the podcast here: Apple: <https://itunes.apple.com/us/podcast/workforce-waves/id1387723147> or

WVLS Staff Assignment Change

Over the last several months, **Rachel Metzler** has been working with Augo Hildebrand and Marla Sepnafski to learn more on the human resources tasks associated with the WVLS operation. This training aligns with WVLS' succession planning strategy to have backups in key operational areas.

WiLS Hires New Executive Director

WiLS recently announced that Monarch Library System Director **Jennifer Chamberlain** was selected to be the new WiLS Executive Director. WiLS is a non-profit member-driven organization that serves libraries of all types and cultural institutions throughout Wisconsin and beyond. Jennifer replaces **Stef Morrill**, who resigned from that position at the end of February 2020. Jennifer begins her new employment at WiLS on June 6.

Libraries in the News

The **Marathon County Public Library** is donating books to local school districts and the United Way of Marathon County. Read more about the way the library is addressing a community need here:

<https://waow.com/2020/05/11/marathon-county-public-library-donates-books-to-schools-united-way/>

Staff at the **Rhinelander District Library** have implemented a unique way to provide story time during these socially-distanced times that brings the library and downtown businesses together. Through **“Story Stroll,”** families can stroll through downtown Rhinelander and read a children’s book along the way.

<https://starjournalnow.com/2020/05/08/story-stroll-brings-library-downtown-businesses-together/>

WVLS PROJECTS

Donations to Member Library/WVLS Overdrive Advantage Digital Collection

Anne Hamland and **Katie Zimmermann** along with the WVLS OverDrive Advantage Selection Committee are excited to announce WVLS has received donations from five WVLS member libraries and a school library for a total of \$5,538.73. Collectively these donations purchased 140 e-books and 48 e-audiobooks. These items will fulfill WVLS patron holds, work to reduce hold wait times and provide a better user experience. A big thank you goes to:

Granton Community Library
Granton School District
T.B. Scott Free Library, Merrill
Abbotsford Public Library
Minocqua Public Library
Greenwood Public Library

Additionally, on March 16 the Wisconsin Public Library Consortium (WPLC) selection team added 400 simultaneous titles to the Wisconsin Digital Library. On March 30, the Wisconsin Digital Library received a **\$250,000** grant from the Wisconsin Division for Libraries and Technology. Library systems around the state have been increasing spending in OverDrive Advantage accounts through grants, system contributions, and donations from member libraries. WVLS is proud of its member libraries’ efforts in supporting the Wisconsin digital library during this time of increased use by sharing digital library information with schools and donating funds to increase the WVLS Advantage collection.

New! WVLS to Serve As Fiscal Agent for Statewide Beanstack Contract

On April 24, 2020 the Department of Instruction finalized a three-year, statewide contract for **Beanstack**, an online reading challenge platform and mobile app, with the assistance of **Wisconsin Valley Library Service as fiscal agent**. **Anne Hamland** and **Rachel Metzler** assisted in product exploration and contract negotiation. The contract is managed by Wisconsin Valley Library Service and will run through 2023. Statewide

support for Beanstack aligns with PLSR goals related to equity, shared services, and collaboration. For the full news release, visit: <https://dpi.wi.gov/wilibrariesforeveryone/investment-online-reading-platform-and-mobile-app-wisconsin-libraries>. See also **Exhibit 15**.

Inclusive Services Update

Sherry Machones shared an **Inclusive Services Update** with member libraries in early May. The update shared links to resources for Asian/Pacific American Heritage Month in May, continuing education opportunities from the Wisconsin Council of the Blind and Visually Impaired, remote programming ideas from the Young Adult Library Services Association (YALSA), and information about the first LGBTQ+ digital collection at the Library of Congress. The report also announced that the statewide inclusivity **“Toward One Wisconsin” 2020 Conference** originally slated to be held April 28-29 in Green Bay was rescheduled to November 12-13, 2020 due to the pandemic. If another outbreak occurs, conference organizers will be prepared to move to a total virtual conference.

DPI Partnership Regarding Potential Mobile Hotspots Procurement and Deployment

WVLS has not yet received details about projects that will be supported by CARES Act funds. We were approached by DPI in early April to act as fiscal agent for one or more projects connected to repurposed FY19 LSTA funds not yet committed and CARES Act funds not yet fully understood. LEAN WI has since been working with DPI to consult and collaborate on internet accessibility project ideas to consume these channels of funding made available for relief under the current operational environment.

In alignment with our suggestion, DPI decided to adjust the LSTA relief from a single comprehensive project to an even distribution of the \$100,000 in available funding across the sixteen library systems, or \$6,250 per system to be used to support system and library operations in this new, highly-remote operational state.

The last meeting and correspondence with DPI left us with DPI looking toward the CARES Act funding with a broader slate of projects that will fit within its scope and constraints. If feasible, LEAN WI is still prepared to act as fiscal agent for any statewide or multi-system project(s) that may need one, though our primary focus will be on working with DPI to maximize the benefit of the CARES Act (and any other) funding in as equitable a manner across the state as is feasible.

ILS Administration/V-Cat Covid-19 Update

Katie Zimmermann continues to respond to rapidly changing service needs of our member libraries making ILS adjustments to manage holds, paging lists, notices, due dates etc. while closed or offering curbside service in accordance with Emergency Order #28.

In accordance with DPI guidelines and in collaboration with other ILS Administrators, best practices have been determined for V-Cat libraries in this unique situation. The ILS is designed to facilitate resource sharing, and it is challenging to fill patron requests with local materials without also filling holds that require materials to move between libraries.

In considering ILS system changes, Zimmermann and **Rachel Metzler** have been evaluating potential solutions based on the limitations of the ILS, time required to implement and later reverse system changes alongside best estimates on the length of limited non-standard service models. Zimmermann has developed multiple instructional documents to guide libraries through the temporary processes.

WVLS continues to monitor member library demand for filling holds between buildings and is working on plans to take incremental steps towards full resource sharing among V-Cat libraries. Libraries are asked to stay in

contact with WVLS staff regarding how things are going with curbside service and when they might be ready for receiving materials from other libraries.

WVLS extended **due dates** to prevent fines from accruing while our libraries are closed, and to keep patron's cards in good standing and maintain patron access to online resources at home during library closures. A report of items extended to 6/1/2020 on 4/22/2020 will be shared with member libraries. WVLS extended **expiration dates for patrons whose cards expire** between 2/1/2020 and 6/30/2020 to 7/1/2020.

V-Cat Council Activities. At its May 7, 2020 meeting, the Council voted to approve the V-Cat Billing Guidelines, Damaged Missing Pieces Document, and the Billable Damaged Missing Pieces Form. The Council reviewed the proposed 2021 budget. The Cooperative Circulation Committee shared proposed recommendations for checkout periods for New/High Demand Books, New/High Demand Audiobooks, Series Video Materials, New/High Demand Video Materials, Music CDs and Magazines. The Council voted to enable the "Give Precedence to Local Holds option," which allows local pickup holds to take precedence over holds that require transit to another location, with the opportunity to re-evaluate the setting and possibly disable it in September.

Committee Activities. The **Bibliographic and Interface Committee** continues to consider changes to facilitate better searching for Juvenile Foreign Language materials and display of Foreign Language Titles, as well as records for OverDrive materials in the V-Cat catalog. **Maria Pregler** (Antigo) has developed instructional documents for creating accurate records when splitting up multi-item sets. The Bibliographic and Interface Committee will meet again in May. The **Cooperative Circulation Committee** does not have plans to meet until after the June 7 V-Cat Council meeting. The **Voting Models Exploratory Committee** met to further investigate formulas for weighting and representation among library systems in Wisconsin. The committee had preliminary discussions of how similar formulas could apply to V-Cat libraries. The committee plans to meet again in May.

Zimmermann attended **Advanced System Administration** and **Structured Query Language** trainings with Innovative. Metzler attended **Database Maintenance** training with Innovative.

Legislative Update (see Exhibit 12b)

Workforce Development Update

The Libraries Activating Workforce Development Skills (LAWDS) project is pivoting to provide libraries with timely resources to support job seekers and workforce development efforts in their communities. In that effort, an **"Unemployment Insurance Basics: Assisting Library Patrons"** was provided to public libraries on April 27. Led by **Ann Astin** from the Division of Employment and Training (DET)/Job Service Bureau, the webinar answered general Unemployment Insurance questions, demonstrated best practices for library staff and gave a tour of the website my.unemployment.wisconsin.gov. This webinar was recorded and will be offered and recorded a second time on May 18 at 10am. The link to attend the second webinar is forthcoming.

New! Phone System Overlay

A Phone System Overlay that provides a toll free number with an auto-attendant menu system to forward calls/voicemails to teams or to individuals and supports SMS (texting) is being implemented. This new service has been set up and tested for initial functionality and will be published to the membership after staff receive documentation and initial training. A similar toll-free service has been established and tested for enabling toll free dial in to Bluejeans meeting services.

Bluejeans Enterprise Virtual Conferencing Licensing Deployment and Support

We continue supporting Bluejeans Enterprise account access and usage. The toll-free number that Bluejeans enabled temporarily early on in our ramp up process has been disabled but we have a 3rd party service in place to route atoll-free number to Bluejeans standard dial in numbers.

New! Document Management Exploration

Document Management exploration started briefly in April but was put on hold while focusing on other projects and support efforts. Even with the possible return to in-office working status over the course of summer 2020, the value of a document management tool for creating and/or receiving documents requiring signatures and for organizing and tracking formal documents is worth the effort to pursue and deploy as time allows. We will continue looking in this direction with care not to overextend already stretched HR while we work to help our system colleagues support our member libraries in ramping up services to the public.

WiFi Coverage Adjustments/Expansion

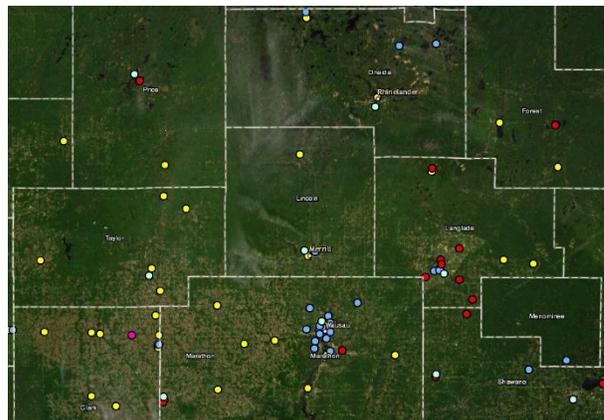

Working with DPI and Public Service Commission

A Public Service Commission (PSC) public WiFi availability map produced from data provided by Library Systems and Public Libraries throughout Wisconsin is available at

<https://maps.psc.wi.gov/apps/PublicWiFiLocations/>

Working with Member Libraries to Expand Coverage Areas Outside of Buildings

Test deployments with Edward U. Demmer Memorial Library in Three Lakes and Antigo Public Library were successful. Procurement with direct shipping, and a nearly plug-and-play manner of deployment allow for remote deployment scenarios with local staff (or third parties as applicable) to handle the physical placement and connectivity steps.

Youth Services Update

Anne Hamland hosted the second Youth Services Check-in on April 30. Twenty-eight attendees from four library systems (WVLS, NWLS, IFLS, SCLS) discussed curbside services and providing self-directed activities such as “take and make” crafts, activities, and resources. Attendees shared successful “take and make” crafts and activities, brainstormed for future “take and make” options, and shared reports on virtual programming options in addition to virtual storytime.

Infrastructure Upgrades

LEAN WI had several planned infrastructure upgrade projects in the works to support operations, including extra bandwidth capacity to support the Statewide Backup Collaboration project. These upgrade projects are being reengaged carefully, with a BadgerNet “head-end” circuit upgrade from 1Gbps to 5Gbps planned for May 14. A similar bandwidth upgrade with WiscNet connectivity is still in the works to upgrade from a 1Gbps circuit to a 10Gbps circuit in the datacenter.

CONTINUING EDUCATION & TRAINING OPPORTUNITIES

National ALA Conference Goes Virtual

The American Library Association made a difficult decision to cancel its Annual Conference & Exhibition scheduled for June 25-30, 2020 in Chicago. To help the library community remain connected during this unprecedented time, the association is instead offering a 3-day event, “ALA Virtual: Community Through Connection”, from June 24-26, 2020. The event will feature a portfolio of more than 50 educational sessions, including COVID-19 related information pertinent to libraries; live chat opportunities with authors and speakers; an exhibitor showcase with more than 500 participating exhibitors; and presentations in an on-demand format from book publishers on forthcoming book titles. Through the generous support of a select roster of event sponsors, ALA was able to reduce the registration fee for ALA members from \$175 to \$60; the nonmember fee is \$250. Additional details are available at the new [ALA Virtual website](#).

Webinars in the Works

Planning is underway for **Trustee Training Week (TTW) 2020**. Held the week of **August 24-28**, TTW offers daily high-quality, one-hour webinars of interest to Wisconsin’s public library trustees and friends. Tentative programs for 2020 TTW are provided below. Visit the Trustee Training Week [website](#) to register and for more information.

- ***Core Values of Librarianship*** with Jessamyn West
- ***Recruiting and Engaging Friends and Trustees Under Age 40*** with Madeline Jarvis and Tess Wilson
- ***Equity, Diversity, Inclusion: What Library Trustees Need to Know*** with Anne Phibbs
- ***Walk the Line: How Trustees Can Best Lead Their Libraries Without Overstepping Their Authority*** with Becky Spratford

Jamie Matczak is in discussions with IFLS Library System, Northern Waters Library Service and the Winding Rivers Library System about the **annual fall Tech Days**. Because of the pandemic, the coordinators are discussing whether a virtual set of workshops is the better option.

The **2021 Wild Wisconsin Winter Web Conference** is set for January 27-28, 2021. Jamie is working with Leah Langby at the IFLS Library System and Jean Anderson at the South Central Library System on developing tracks and speakers.

INFO TO GO

- The **Edward U. Demmer Memorial Library** (Three Lakes) created a video demonstrating how to request an absentee ballot for this election year at myvote.gov. The video may be viewed at <https://cvtc.instructuremedia.com/embed/6703af43-d08a-4238-8913-1f44b2f83a97>
- Taking an idea from the classic “I Spy” book series by Jean Marzollo, the **Princeton (WI) Public Library** created “I Spy” windows as a reminder to its community that the library is still there for them. Director Laura Skalitsky states, “We wanted our community to be reminded that although online programs are great, there are many things about our library that cannot go online. As a small library, we rely on our community coming through the doors. Ultimately, these “I Spy” windows signal to our community that

we will be back together, in person, soon. They also looked great during National Library Week.” Learn more on about this program on the ALA Public Programs Office website:

<https://programminglibrarian.org/programs/%E2%80%9Ci-spy%E2%80%9D-windows>

- The American Library Association’s ***State of America’s Libraries 2020 Report***, released on April 20, to kick off National Library Week is available [here](#). The report reaffirms the invaluable role libraries play in supporting their communities and offering a safe space for everyone. It outlines issues affecting all types of libraries during the previous calendar year, and features news and commentary on the top 10 most challenged books in 2019, libraries promotion wellness and health, working for a 2020 census complete count, school libraries and information literacy, academic libraries and access, public libraries and parent engagement, and fun facts about America’s libraries.

UPCOMING EVENTS

- April 27 – System Continuing Education Consultants meeting (Matczak)
- April 28 – System Directors/DPI Discussion (Sepnafski)
- April 28 – **WVLS “Staying Together” Discussion** (Matczak)
- April 29 – Wisconsin Public Library Consortium Board meeting (Hamland)
- April 29 – “Sierra SQL for Record Data Review” training (Zimmermann)
- April 30 – “Sierra System Coordinators Basics with ASAA” training (Zimmermann)
- April 30 – **WVLS Virtual Youth Meetup #2** (Hamland)
- May 1 – **WVLS “Staying Together” Discussion** (Matczak and other WVLS staff)
- May 1 – NBC26 Community Advisory Committee meeting (Matczak)
- May 5 - System Directors/DPI Discussion (Sepnafski)
- May 5 – **WVLS “Staying Together” Discussion** (Matczak and other WVLS staff)
- May 7 – **WVLS V-Cat Council meeting** (Klingbeil, Zimmermann, Metzler, Sepnafski)
- May 7 – “Guidelines for Reopening WI Public Libraries” webinar (all WVLS staff)
- May 8 – COLAND (Council on Library and Network Development) meeting (Klingbeil)
- May 12 – System Directors/DPI Discussion (Sepnafski)
- May 12 – WVLS Staff meeting
- May 13 – **WVLS “Staying Together” Discussion** (Matczak and other WVLS staff)
- May 13 – DPI Reopening Writing Team meeting (Hamland)
- May 14 – WPLC Selectors meeting (Zimmermann)
- May 15 – WLA’s Youth Services Section (YSS) Board meeting (Hamland)
- May 15 – WLA’s Library Development and Legislation Committee (LD&L) meeting (Wendt)
- May 15 – **WVLS Beanstack Product Office Hours (Hamland)**
- May 16 – **WVLS Board of Trustees meeting** (Hamland, Hafemeister, Klingbeil, Matczak, Metzler, Sepnafski, Wendt, Zimmermann)
- May 18 – MCPL Task Force meeting (Sepnafski and other WVLS staff)
- May 18 – MCPL Board meeting (Sepnafski and other WVLS staff)
- May 18 – WVLS Staff meeting
- May 19 - System Directors/DPI Discussion (Sepnafski)
- **May 19 – LAWDS meeting with public library, system, and workforce development representatives**

Stevens Point (Hamland) - **CANCELED**

- May 19 - **WVLS “Staying Together” Discussion** (Matczak and other WVLS staff)
- May 20 – DPI Reopening Writing Team meeting (Hamland)
- May 21 – **WVLS Virtual Youth Meetup #3** (Hamland)
- May 25 – WVLS office closed
- May 26 - System Directors/DPI Discussion (Sepnafski)
- May 26 - **WVLS “Staying Together” Discussion** (Matczak and other WVLS staff)
- May 27 - DPI Reopening Writing Team meeting (Hamland)
- June 2 – System Directors/DPI Discussion (Sepnafski)
- June 2 – **WVLS “Staying Together” Discussion** (Matczak and other WVLS staff)
- June 2 – WVLS Staff meeting
- June 2-4 – DPI PLSR Implementation Summit – **CANCELED**
- June 3 – DPI Reopening Writing Team meeting (Hamland)
- **June 4 – WVLS V-Cat Council meeting** (Zimmermann, Klingbeil, Metzler, Sepnafski)
- **June 9 – IFLS Library System/WVLS Webmaster Office Hours** (Hamland)
- June 15 – WPLC Board meeting (Hamland)
- July 3 – WVLS office closed
- July 10 - COLAND meeting (Klingbeil)
- July 20 – Forest County Library Board meeting (Wendt)
- July 24 - WLA’s Library Development and Legislation Committee (LD&L) meeting (Wendt)
- August 10 – WPLC Board meeting (Hamland)
- August 11 – **IFLS Library System/WVLS Webmaster Office Hours** (Hamland)
- August 13 – WVLS Library Advisory Committee meeting (Matczak, Sepnafski, Klingbeil, Hamland, Machones, Metzler, Zimmermann)
- August 15 – WVLS Board of Trustees meeting (Sepnafski, Wendt, Klingbeil, Hamland, Matczak, Machones, Metzler, Zimmermann)

Be safe everyone!

Marla
