

COVID-19 Round Table Discussion
LAC Meeting: April 9, 2020

Update on Your Library/School/Organization: What services are you able to safely provide at this time? What are staff members working on? What does the workflow/work space of your organization look like?

What resources have you used or have found helpful in your community, among your staff, from your colleagues and/or from WVLS? (blog, website, organization, etc).

What do you think services will look like once your library/school/organization is open/ serving the public? What might your patrons/students/customers need and want?

Below is a list of resources/services that WVLS is currently providing in response to COVID-19:

- Daily Communications on Library News, Resources and Updates
- Webpage Dedicated to COVID-19 with Resources and Updates
- Bi-Weekly, Online Discussions for WVLS Member Library Directors
- Continuing Education Opportunities Related to Various Topics, including COVID-19
- Licenses and Support to Member Libraries for Conducting Online Meetings
- ILS Support and Documentation to Reflect Library Closures and Changes
- Virtual Training and Digital Bytes
- Technology Support for Member Library Staff Working Remotely
- Public WIFI Accessibility Improvement Consulting and Assistance
- General Consulting: Youth Services, ILS and Database Support, Professional Development, Administration, Human Resources, Technology

How can WVLS better support the resources/services that you need? Do you find yourself saying, "I wish...."
