Formula for calculating weighted votes:	None.	Based on the library's share of MORE's Annual Budget for the current year. (Shares are based on library holdings and circulation.)	Based on annual membership fee shares. Each library's annual membership fee share is calculated by dividing its last annual membership fee payment by 1,000 and rounding up to the next whole number.	None.	Weight for All Directors votes and motions related to budgets are based on budget shares. ILS Formula = Building fee + Share of Circulation + Share of total items Owned. (Building Fee = 15%, Circulation = 42.5% Holdings =42.5%)	None.
Method for determining representation :	One representative per member library.	One representative per member library.	One representative per member library.	One representative per member library.	The system is divided into 13 clusters, mainly by County; each cluster votes to elect a representative who then sits on all the various committees and depending on the group they meet monthly or bimonthly throughout the year. https://www.scls.info/committees/clusters	One representative per member library.
