3) COVID-19: Decision Tool for Individuals and Families

COVID-19 is still spreading across Wisconsin communities. We can all do our part to protect our communities by limiting contact with others and avoiding nonessential trips out in the community as much as possible. Use this tool to think through how your decisions might impact others, what you can do to reduce risk, and if there are activities to do instead. These questions should not be used to decide whether to do necessary activities, such as going to work or school, accessing needed medical care, grocery shopping, or other basic needs. 4) Virtual Programs for Public Libraries

Do you work in a public library? Are you looking for ideas for virtual programming and outreach? This webinar is for you! We will cover how to decide what virtual programming your community might be interested in, technical requirements for virtual programming, and include a wide variety of program suggestions.
