

## **V-Cat Cataloging Project (Temporary)**

**WVLS is looking for a V-Cat library to assist with MarcAlert review and record overlay using OCLC Connexion.**

Individual(s) will work closely with, and report to, the WVLS ILS and Database Support Specialist.

Start Date: TBD 2020/21

End Date: TBD This is a temporary partnership

### **Desired Qualifications:**

- Attention to detail and ability to investigate record discrepancies
- Experience with Sierra ILS
- Experience with creating MarcAlert brief bibliographic records
- Ability to read and evaluate bibliographic records and select the best record to bring into the V-Cat database
- Experience with Z39.50 cataloging including bibliographic record creation and overlay

### **Summary:**

This project consists of the following:

- Process MarcAlert records (including older MarcAlert records) utilizing OCLC to enhance and complete cataloging
- Additional cataloging work may be assigned
- Utilize OCLC Connexion and Sierra
- OCLC Connexion and MarcAlert processing training will be provided
- A check-in every two weeks detailing evaluation of workflow and a progress update on existing MarcAlerts. Also, will plan a two-week schedule at each check-in.
- Minimum 8 hours per week
- Hourly compensation paid to the V-Cat library/libraries for work performed to be determined
