

## February 2021 Update to Members

Colleagues and Friends,

The MCPL Board of Trustees plans to invite DPI to its March 2021 meeting to respond to concerns they have been hearing about how Marathon County's departure from WVLS will impact other system libraries.

This action was taken following a discussion during the Board's February 15 [meeting](#) regarding agenda item: Library System Review Process - request to DPI regarding effect of withdrawal - For Discussion and Possible Action.

Jeff Campo made a motion to invite DPI to come before the board to talk about what the effect would be for withdrawing from WVLS, specifically if Marathon County's departure would destroy the smaller libraries in the system.

Sharon Hunter stated, *"...I feel strongly we need to continue this process and move on with this process, and by that I mean, educating our patrons and the community, the county board. Sure, we can go ahead and have the public meeting, but if it's not going to go anywhere and it's going to be set backwards, why would we proceed with that? So that's why I'm thinking, let's slow down. If we don't go before the county board this year, we can do it next year. We are in no rush to leave WVLS, but we do need to do some kind of a marketing campaign to help our patrons understand why it benefits them to move with a new system. ....When we do a contract with WVLS, I feel like they are a vendor. We are contracting with them. They are to provide services to us. And if we are not happy with those services, or if we find another vendor that can do a better job, who will provide us different services, that will help us expand what we want to do, then we have a right to do that."*

Scott Winch seconded the motion.

Sharon Hunter then stated *"...at the March meeting, if we want, we can decide if we still want to move forward to the county board, or if we want to postpone, and sign the contract with WVLS for another year, and then proceed with moving forward with our motion to leave WVLS."*

A roll call vote was taken with all board members voting yes.

Based on discussion, the expectation is that the MCPL Board meeting with DPI representatives will be open to the public. The next meeting of the Marathon County Library Board will be on March 15 at noon.

### **February 5 Update**

Colleagues and Friends,

During its [February 4 meeting](#), the Marathon County Extension, Education and Economic Development Committee planned to set a date for a public hearing as the next step in a process for Marathon Co. to withdraw from WVLS. However, earlier in the day, Committee Chair Sara Guild received a request from the Marathon County Public Library Board to postpone the public hearing until further notice.

According to a [WSAU news post](#), Guild said "she had received an email request from the Library Board in the morning to postpone setting a date for the public hearing. 'They would like to continue conversations at the Library Board level to gather additional information before a public hearing is scheduled.' Guild did not have details about what type of information the Library Board would be gathering regarding the request to change library systems. But she did mention the public hearing issue could come before the Committee again. 'Once the Library Board garners whatever information they are looking for, then at that time it could come back to this committee.'"

The next meeting of the MCPL Board of Trustees is on Monday, February 15 at 12:00 p.m.

I will continue to share news on the system membership process as I receive it. If you have any questions or concerns, please let me know.
