Inclusive Services

Wis. Stat. § 43.24(2)(k) Promotion and facilitation of library service to users with special needs.

The Division for Libraries and Technology interprets services to users with special needs as inclusive services. Inclusive library services are holistic, spanning library policies, collections, space, and services. Inclusive services reflect equity and accessibility for all members of the community, including services to individuals or groups for whom using the public library is difficult, limited, or minimized.

Briefly summarize the most significant specific inclusive services initiatives carried out by your system in the report year. Describe the system effort in terms of the way in which the initiative is conducted by the system. Some systems provide direct services, others provide services to support library efforts.

The Northern Waters Library System and WVLS started a collaborative venture in 2018 in which NWLS assumed inclusive services consulting for WVLS, and WVLS assumed continuing education on behalf of NWLS. Please refer to pages 29-31 in the attached 2020 WVLS Staff Report for activities related to this statutory requirement. There was a big marketing push for Beanstack, which was acquired through a LSTA Inclusive Services Grant.

VIII. LIBRARY SYSTEM EVALUATION AND CERTIFICATION OF COMPLIANCE (cont'd.)

Inclusive Services (cont'd.)

Identify the agency(ies) with which the system had the most contact in terms of a planning effort or project collaboration, or with which member libraries worked. Indicate system services or types of materials involved with, or purchased for, the project. Were any accessibility issues involved? Identify any significant marketing done by the system to support inclusive library service efforts.

During the COVID-19 pandemic, primary contact was with other systems and with DPI. As the focus across the state was to provide increased access to wireless service since the public could not access library buildings, LEAN WI partners applied for a LSTA grant to extend WiFi access outside of library buildings.

If the system provided any inclusive services continuing education programs in the report year, identify the topic(s) and speaker(s). WVLS and NWLS did not host a workshop on this topic in 2020. However, several Inclusive Services CE opportunities were provided during the pandemic by outside entities, and promoted in "Inclusive Services Updates" to member libraries and via other WVLS communications channels.

Other Types of Libraries

- Wis. Stat. § 43.24(2)(L) Cooperation and continuous planning with other types of libraries in the system area which results in agreements with those libraries for the appropriate sharing of library resources to benefit the clientele of all libraries in the system area.**
- An advisory committee or planning group including representatives from other types of libraries met and established objectives relating to this requirement for the plan year.
- The system has agreements with other types of libraries, or if the system participates in a cooperation agreement with a multitype organization to meet the purposes of this goal, there is established a clear link between the system and the individual members of the multitype organization. Copies of the most recent agreements have been filed with the Division for Libraries and Technology.

Indicate system services provided to other types of libraries in the report year.

Library Technology and Resource Sharing Plan

- Wis. Stat. § 43.24(2)(m) Planning with the division and with participating public libraries and other types of libraries in the area in regard to library technology and the sharing of resources. By January 1, 2000, and every 5th January 1 thereafter, the public library system shall submit to the division a written plan for library technology and the sharing of resources.**
- Member public libraries and other types of libraries in the system area had an opportunity to review and comment on the plan.
- The public library system's current technology and resource sharing plan has been filed with the Division for Libraries and Technology.

Other Service Programs

- Wis. Stat. § 43.24(2)(i) Any other service programs designed to meet the needs of participating public libraries and the residents of the system area, as determined by the public library board after consultation with participating public libraries.**

List and evaluate each service program carried out under this statute in the report year. Do not lump miscellaneous activities under a single "other" program.

Please refer to pages 22-29 in the attached 2020 WVLS Staff Report for Collection Development and Youth Services activities.

Administration

Attach a listing of all current public library and county members of the system.

Indicate whether your public library system members have indicated compliance with the following membership requirements. If any of these conditions have not been met, attach a written explanation of the circumstances resulting in noncompliance and a description of actions to be taken to achieve compliance (include timelines). A check indicates that all members have indicated compliance with the requirement.

- The public library members are established under the provisions of Chapter 43 of the Wisconsin Statutes. [s. 43.15(4)(c)1]

This shall not prohibit a municipal, county, or joint public library from giving preference to its residents in library group programs held for children or adults if the library limits the number of persons who may participate in the group program or from providing remote access to a library's online resources only to residents. [s. 43.15(4)(c)4]
- The member public library's head librarian holds the appropriate grade level of public librarian certification from the Department of Public Instruction and is present in the library for at least 10 hours of each week that the library is open, less leave time. [s. 43.15(4)(c)6 and Administrative Code Rules PI 6.03]
- All counties participating in the system have entered into written agreements with the system as required under [s. 43.15(4)(b)3]

[s. 43.15(4)(c)7]
- Each public library member, beginning in 2008, annually spends at least \$2,500 on library materials. [s. 43.15(4)(c)8]
