- \* Career readiness support
- \* Local labor market information
- \* Financial support for approved training and education programs
- \* Internships, on-the-job training, and apprenticeships
- \* Connections with industry and business partners

## SUPPORT TO COMMUNITIES PROGRAM: Recovery through Workforce Development

Services and programs are available to eligible adults who are recovering from substance misuse or indirectly impacted by others with substance misuse.

This opportunity is also available to individuals who seek to transition to professions that help support and/or address the opioid recovery efforts.

**Help is available every step of the way**—from your first appointment to getting the job, and everything in between. The Support to Communities Program offers no-cost career resources and services that can help you develop a career path! When you are ready to turn your strengths, skills and interests into a career, services are available to you! You will get access to high quality career services, education and training, and supportive services to help you start your career in the region's in-demand industries. This program is available to eligible residents of Adams, Wood, Portage, Marathon, Lincoln, Langlade, Oneida, Forest, and Vilas Counties.
