

## JUNE 18 2021 UPDATE TO MEMBERS

Dear WVLS Colleagues and Friends,

The next meeting of the Marathon County Public Library (MCPL) Board of Trustees will be on **Monday, June 21 at 12:00 p.m.** The amended agenda for the meeting is available [here](#) and the packet (including minutes of the April 19, May 17, May 19 and May 27 meetings) is available [here](#). Note that the packet begins with an earlier copy of the agenda which was superseded by the amended agenda.

The MCPL Personnel Committee will meet 30 minutes prior to the full board meeting to discuss a process for hiring a new library director. The agenda for the meeting is available [here](#).

The library director position is posted on the MCPL website at <https://www.mcpl.us/about/employment>. The application deadline is July 6.

On June 15, a letter was sent to members of the MCPL Board from Katie Zimmermann, WVLS ILS Administrator, and Rachel Metzler, WVLS Integrated Library System and Database Support Specialist. The intent of the letter (attached) was to provide additional context to the [MCPL Cataloging Projects 2020-2021 presentation](#) to the MCPL Board in May 2021 as well as related information shared in the [February 2021 MCPL Board meeting packet](#) (see the Monthly Business Report in the Director's Report). The WVLS letter also invited the MCPL Board, Interim Director and MCPL Staff to bring questions, concerns, and suggestions about V-Cat catalog enhancements to the WVLS Board, WVLS staff and V-Cat committees.

Information related to the MCPL Board's system investigation that has thus far been shared with WVLS colleagues and Marathon County leadership may be found on the [WVLS website](#). Please feel free to contact me with any questions or concerns.

Warmest regards,

Marla

Marla Sepnafski, Director
