

1) Recorded Webinar Available on Social Media Trends

WVLS has a new recorded webinar posted, "Social Media Trends: For 2022-2023 and Beyond," presented by Laura Solomon. Social media has always had trends, and this year is no exception. Find out what types of content professional marketers are focusing on now and in the near future, and how some of these trends might work for your own library. Stay on top of what's working and what's not.

This webinar is worth 1 contact hour in public library certification. [View it here.](#)
