

Allocation of Unspent 2025 Funds

Prepared by Katie Zimmermann

Pending approval of the V-Cat financial reports from November through December 2024, the total amount of unspent appropriations from 2024 is \$ 7327.37.

According to the WVLS/V-Cat Steering Committee Policy Statement on V-Cat Minimum Reserve Funds approved in 2015: The V-Cat Reserve Funds will be maintained with no less than \$320,000 and no more than \$375,000. Annually 50% of any unspent funds will be transferred to the reserve funds and the remaining 50% of unspent funds be transferred to V-Cat Special Projects.

Special projects for 2025 will be selected and approved by V-Cat Council. WVLS recommends that \$ 7327.37 unspent appropriations from 2024 be applied to the V- Special Projects Fund designated for Supplies and Cataloging/Database Clean-Up Automation and supplies.

Additional special project possibilities include sponsoring an Aspen development, cataloging support, database clean up, and training.
